### New Disco Equipment

Recently we purchased a new set of lights to make our discos more interesting for our members. We can now link the disco system to 'spotify' and when we don't have a disco we can use Bluetooth to link the new youth club MP3 player to the speakers. This enables us to provide a much bigger range of music, to help keep everyone entertained.

### Grant money

Everyone at the Tilehurst Youth Club is incredibly grateful for the grant recently rewarded to us by Reading Borough Council. It has enabled us to purchase a brand new set of disco lights, which were very popular at our Halloween disco. The money has also been used to organise more interesting activities on Friday nights. It has also provided training for the Junior Leader Team which includes first aid and mentoring skills. We hope you shall see even more improvements here, very soon!

### Christmas

At the end of last term the youth club held a Christmas party which was mainly organised by our dedicated group of Junior Leaders. The evening involved many fun activities such as, Christmas music games, face painting, winning prizes and the disco. We put up the Christmas decorations we made the previous week.

### New Logo

This term we held a competition to design a new logo at youth club. We had a lot of brilliant entries and had a lot of difficulty deciding on a winner so we finally chose three runners up and an overall winner, Maia. Thanks to everyone for all your amazing entries!

## Help!

If possible please can you give your child the correct entry money on Friday nights. This would be a big help and would be much appreciated.

## Photographs

We include photographs of children in our publicity material and on our website. No surnames will be disclosed. If you have any objections to your child's photo appearing please let us know in writing.

## Valuables

The Youth Club is used by many people during the course of the week and items left behind on a Friday may not be there the next time you come. Please take care of your belongings.

## Collecting Your Child

Children will **not** be allowed to leave the building before 9.30pm. If you need to pick them up early let us know. Normally the front door is secured until the end of each session.
